No problem. My calendar is fairly open for that week.

How does 12/8 or 12/9 at 10am, 11am or 1pm work for you and Lt. Blakemore?

Thanks,
Aviv

Would you like to overview this without him initially? Or should we schedule time when

both of you are available?

Hello Mr. Heredia,

I am following up on a voicemail I recently left you regarding your interest in Veritone's facial recognition solution.

How does your schedule look next week for a 20-30 minute call? I can explain the platform further, and answer any questions you have.

Let me know when works best for you, and I can send a calendar invite.

Thanks,
Aviv
